Directions (Complete each step 1 through 6):

It's important to measure this vehicle UNLOADED, on level ground or on a drive on lift.

- 1) Complete the vehicle information section below.
- 2) Check mark the "SKU #" (on page 2) that matches your drive shaft assembly.
- 3) In the marked "SKU" box, enter the measurements (in inches) on the provided lines.
- 4) After filling in the appropriate "SKU" box go to the box titled "IMPORTANT" and enter u-joint cap measurements.
- 5) Check the "Remco Notes" box for your application.
- 6) Fax to REMCO DSC at 855-839-2924 or email to [sales@remcodsc.com](mailto:sales@remcodsc.com)
